SECTION #.

Section #. 120.12 (3) of the statutes is amended to read:

120.12 (3) TAX FOR OPERATION AND MAINTENANCE. (a) On or before November ~~10~~<sup>10</sup> determine the amount necessary to be raised to operate and maintain the schools of the school district and public library facilities operated by the school district under s. 43.52, if the annual meeting has not voted a tax sufficient for such purposes for the school year. On or before November ~~6~~<sup>13</sup> the school district clerk shall certify the appropriate amount so determined to each appropriate municipal clerk who shall assess the amount certified and enter it on the tax rolls as other school district taxes are assessed and entered.

(b) If a tax sufficient to operate and maintain the schools of a school district for the ensuing school year has not been determined, certified and levied prior to the effective date of school district reorganization under ch. 117 affecting any territory of the school district, the school board of the affected school district shall determine, on or before the November ~~4~~<sup>10</sup> following the effective date of the reorganization, the amount of deficiency in operation and maintenance funds on the effective date of the reorganization which should have been paid by the property in the affected school district if the tax had been determined, certified and assessed prior to the effective date of the reorganization. On or before November ~~6~~<sup>13</sup> the school district clerk shall certify the appropriate amount to each appropriate municipal clerk who shall assess, enter and collect the amount as a special tax on the property. This paragraph does not affect the apportionment of assets and liabilities under s. 66.0235.

(c) If on or before November ~~4~~<sup>10</sup> the school board determines that the annual meeting has voted a tax greater than that needed to operate the schools of the school district for the school year, the school board may lower the tax voted by the annual meeting. On or before November ~~6~~<sup>13</sup> the school district clerk shall certify the appropriate amount so determined to each appropriate municipal clerk who shall assess the amount certified to him or her and enter it on the tax rolls in lieu of the amount previously reported.

10

(d) If on or before November <sup>10</sup>~~1~~ the school board determines that the annual meeting has voted a tax that would violate the limit under subch. VII of ch. 121, the school board shall lower the tax to bring it into compliance with that limit.

## Analysis

Under current law, <sup>annually by November 1</sup> a school board must determine the amount necessary to operate and maintain the schools. By November 6, the school board must certify the amount to each municipal clerk ~~for~~ to be entered on the tax rolls. This bill changes these dates to November 10 and November 13.
